EDUCATION

Master of Science in Business Analytics, Rady School of Management

06/2026

University of California, San Diego, CA

- Relevant Courses: SQL/ETL, Business Analytics, Business Intelligence Systems, Customer Analytics (Pending)

Bachelor of Science, Business Economics

06/2025

University of California, San Diego, CA

- Provost Honors

SPECIALIZED SKILLS

- **Programming/Analytical Tools:** Python, SQL, Snowflake, Tableau
- **Operating Systems:** Microsoft Windows, Microsoft Office Suite

PROJECTS

Profit-Based Customer Targeting Model

01/2026

- Built and tuned logistic regression and neural network models to optimize campaign targeting across 75K customers
- Designed a profit-driven targeting strategy utilizing breakeven response rates to identify high-value customers and maximize profitability

Predictive Modeling and Recommender Systems Project

11/2025 - 12/2025

- Developed three predictive models for sentiment analysis, rental context classification, and garment fit prediction, leveraging customer reviews and product metadata from the Rent-the-Runway dataset
- Analyzed 150K+ data points using Python, pandas, and scikit-learn, evaluating model performance with accuracy, precision, confusion matrices, and MSE to benchmark results against baseline methods

Data Engineering Project, Academic Case Study

08/2025 - 08/2025

- Engineered a multi-file ETL pipeline in Snowflake using Python and SQL to create databases, stages, and tables
- Joined purchase order and supplier invoice data, totaling over 8k data points, and devised insightful calculated fields

Market Research Intern, Women in Business at UC San Diego

10/2024 - 12/2024

- Conducted market and customer analysis around Disney's \$1.5B partnership with Epic Games, evaluating demographics, purchasing behavior, and competitive landscapes to inform strategic recommendations

EXPERIENCE

Teaching Assistant, UC San Diego, La Jolla, CA

09/2025 - Present

- Provide timely, constructive feedback on coursework for 50+ students, facilitating understanding of course concepts
- Serve as a primary point of contact between 150+ students and faculty, maintaining efficient academic support

Lead II / Student Assistant Manager, TEC Cafe at UC San Diego, La Jolla, CA

03/2024 - Present

- Led hiring, scheduling, and day-to-day operations for a team of 10-15 student employees, supporting consistent service delivery and daily sales targets
- Managed inventory tracking and operational reporting for \$3K+ in inventory and served as acting manager during supervisor absences, ensuring continuity of operations

Marketing Co-Coordinator, TEC Cafe at UC San Diego, La Jolla, CA

11/2023 - Present

- Planned and executed small-scale marketing projects from concept to delivery, coordinating timelines, content creation, and performance tracking

Shift Lead, TEC Cafe at UC San Diego, La Jolla, CA

10/2023 - 03/2024

- Supervised daily opening and closing operations while coordinating staff coverage, maintaining sub-5-minute wait times for 200+ customers per day
- Managed POS transactions for coffee and retail items, processing credit cards and campus-affiliated payments to support \$1K+ in daily revenue
